EXPERIENCE

East Ninth | Architectural Designer

2015 – Present

- Architectural and interior design services for residential remodels, kitchens, baths, space planning, and furnishings
- Contract architectural production for **Oscar Carrera Architect**, including construction documents, interior elevations, and reflected ceiling plans in AutoCAD
- Project coordination, collaborating with clients, consultants, and manufacturers

Duncan G. Stroik Architect | Architectural Designer

Summer 2025 – Present

- Develop interior finish palettes and FF&E specifications for a 33-room hospitality project
- Source and specify materials, furnishings, lighting, textiles, and custom elements, collaborating with manufacturers, artisans, and specialty suppliers
- Optimize material sourcing and procurement strategy, reducing projected costs by approximately \$2M while maintaining quality and aesthetics.

Gary Downtown Redevelopment Charrette - University of Notre Dame | Design Participant

Summer 2024

- Participated in an intensive week-long urban design charrette focused on redevelopment strategies for Gary, Indiana

University of Notre Dame Housing & Community Regeneration Initiative | **Marianne Cusato** | Architecture Intern

May 2024 – August 2024

- Engaged in all phases of planning and design, from concept development to stakeholder meetings
- Prepared reports, conducted historical research, and developed presentations for municipal clients
- Designed digital and hand drawn maps, models, and visual materials
- Partnered with local leaders to identify community-driven design solutions

Ethan Allen | Interior Designer
